4 Sided Roll Cage with 2 Half Doors + 1 Full Door - A Base

Model Number: RCR400

Key features

Heavy-duty 4-sided roll cage with full and 2x half swing doors for secure, flexible goods handling across warehousing, logistics, and retail environments.

• A-Frame Base: A-frame design for compact nesting in a straight line to save space

• High Load Capacity: Heavy duty cage with 500kg safe working load

• 4-Sided Cage: Secure 4-sided enclosure protects goods in transit. Includes 1x full door and 2x half doors for secure transport and stock access.

• Durable Steel Frame: Fully welded zinc-plated steel frame for corrosion and wear resistance

• Improved Strength: High quality rounded steel hinges on all doors & latches

• Polyurethane Tyred Nylon Centred Wheels: Hard-wearing, easy rolling polyurethane tyred wheels.

• Easy Maintenance: Bolt-on castors for easy replacement and ongoing maintenance

• Supplied Fully Assembled: Delivered fully assembled and ready for use

• Optional fixed swing up shelves, removable shelves, and additional doors to suit available - build the perfect roll cage for your business
