Plastic Storage / Food Grade / Lug Boxes

Lug Box 610x425x320 Red

Model Number: BXR008RWCRED

Key features

Heavy duty red plastic lug box designed for storing, transporting and organising food products, ingredients and general goods in commercial, food processing and warehouse environments.

• Heavy duty plastic construction: Built for strength, durability and long service life in demanding commercial applications.

• Large internal capacity: Suitable for transporting bulk ingredients, produce, food products and general goods.

• Stackable design: Stacks securely to maximise storage space during transport and when not in use.

• Integrated hand grips: Allows comfortable lifting and handling, even when fully loaded.

• Easy to clean: Smooth plastic surfaces simplify washing and routine maintenance.

• Colour coded: Red colour assists with product identification and workflow organisation.

• Commercial use: Suitable for food processing, hospitality, warehousing, manufacturing and distribution applications.
