32L Stack & Nest Crate Grey

Model Number: SNR003RWCGRY

Key features

Australian-made 32L grey stack and nest crate, moulded from food-grade polypropylene for reliable, long-term storage in food handling, hospitality, and general industry applications. Designed for efficient stacking when full and space-saving nesting when empty.

• 32L Volume: store ingredients, tools, or components with ease

• Food Grade Construction: Made from food-grade polypropylene construction (grey colour)

• Australian-made: for consistent quality

• Stacking: Our tubs stack securely when loaded without damaging contents by resting on the reinforce rim inside the tub

• Nesting: Our tubs nest neatly inside each other when empty for compact empty storage

• Space Saving Storage: Maximises storage efficiency in busy work areas

• Compatible with all sizes: Our 32L tubs also stack and nest with 52 and 68L sizes for compatibility across the range.

• Easy to clean and maintain: Smooth interior surfaces for easy cleaning

• Suitable for food handling, hospitality, and general storage: safe for direct food contact and versatile enough for use in kitchens, catering, warehousing, and everyday storage needs.

• Compatible lids and dollie available: protect contents during storage and enable efficient transport of stacked crates.

Want your name on one of our stack & nest tubs? We offer hot stamping and silk screen services to make sure your name or logo stands out on all your plastics.
