

1500mm Fridge 10" Pneumatic Hand Trolley with Ratchet Strap

Model Number: FTR129S

Key features

Fridge trolley with pneumatic wheels and stabilising axle for safe appliance transport and upright positioning.

- 1.5m upright frame: improves control when tilting tall loads
- Pneumatic wheels: ideal for ramps, thresholds and rough surfaces
- Stabilising axle: assists with upright appliance positioning
- Welded steel construction: strong and durable for commercial use
- Wide toe plate: supports large fridges, cabinets and appliances
- Handtruck Ratchet Strap (RSR001): is included
- Adjustable ratchet strap mount: vertical flat bar allows height adjustment and can be removed and refitted as needed
