

32L Recyclable Crate Black

Model Number: SNR004RWCBLK

Key features

Australian-made 32L black stack and nest crate, moulded from polypropylene for reliable, long-term storage in commercial, industrial, and general-purpose applications. Designed for efficient stacking when full and space-saving nesting when empty.

- 32L volume: stores tools, components, and general goods with ease
- Polypropylene construction: strong and durable for repeated use (non-food grade)
- Australian-made: consistent quality and reliable performance
- Stacking: Our tubs stack securely when loaded without damaging contents by resting on the reinforce rim inside the tub

- Nesting: Our tubs nest neatly inside each other when empty for compact empty storage
- Space-saving storage: maximises floor and shelf space in busy environments
- Compatible with all sizes: Our 32L tubs also stack and nest with 52 and 68L sizes for compatibility across the range.
- Suitable for general storage, warehousing, and transport: versatile in commercial and domestic settings
- Compatible lids and dolly available: protect contents during storage and enable efficient transport of stacked crates

Want your name on one of our stack & nest tubs? We offer hot stamping and silk screen services to make sure your name or logo stands out on all your plastics.
