Plastic Boxes in Australia

Richmond is an industry leader for a wide range of storage items made out of plastic. We use the best materials in the industry and follow the best practices to ensure we provide the highest quality goods for sale on the market. This is one of the biggest reasons why our plastic boxes in Australia have a longer life compared to other brands on the markets. You can take advantage of our selection of products which we offer through our website, including small plastic boxes, large plastic storage boxes, plastic storage dividers, and plastic storage boxes with lids.

Maximise Your Storage Capabilities

All of our plastic boxes are designed to help customers maximise their storage capabilities on both professional and personal fronts. All you need to take into consideration is your budget and what type of storage solution you require for your business, workplace or domestic needs. You can then approach us with these details and we'll do our best to assist you and meet your expectations. By shopping with Richmond, you can be assured that you'll receive top-of-the-line plastic boxes in Australia at an affordable rate.

High-Quality Construction

We pride ourselves on providing products that are made from the highest quality materials available. For example, our polypropylene box products are durable, long-lasting and environmentally friendly. We offer small, medium and large plastic storage boxes that boast capacities of 13 litres, 21 litres and 33 litres respectively. We also have plastic storage boxes with lids for applications where a cover is required.
