European Style Carbon Black Steel 2m Barn Door Hardware Kit

Model Number: BHR002

Key features

Richmond's European Style Barn Door Kits include all parts needed for installation. Included is a 2m one piece sliding rail with high quality top mount rollers that are smooth and easy to operate. The rollers have a load capacity of 120kg and the kit contains all hardware needed for your barn door to be mounted and secure.

This kit fits door thicknesses of 35mm - 45mm and doors up to a meter wide. For double sliding doors up to 2 meters wide, joiners are available to link kits together.

Simple installation instructions.

1 x 2m Track

2 x Hangers with Nylon Rollers

2 x End Stops

2 x Anti-Jump Disks

1 x Single Floor Guide

Nuts, Bolts, and Washers

Richmond's European Style Barn Door Kits are also available in stainless steel making them rust resistant, perfect for outdoor use.

Please note: door not included.
