

Plastic Storage / Food Grade / Milk Crates

Milk Crate Green

Model Number: MCR014RWCGRN

Key features

Heavy duty green plastic milk crate designed for storing, transporting and organising bottles, cartons and general goods in commercial, retail, warehouse and food service environments.

- Heavy duty plastic construction: Built for strength and long service life in demanding commercial applications.
- Open sided design: Promotes airflow while providing good visibility of stored contents.
- Stackable: Designed to stack securely for efficient storage and transport.
- Integrated hand grips: Makes lifting, carrying and handling easier when fully loaded.

- Easy to clean: Durable plastic construction can be washed and maintained with minimal effort.
- Colour coded: Green colour assists with visual identification and stock separation in busy workplaces.
- Versatile use: Suitable for beverage distribution, food service, warehousing, retail and general storage applications.
