Order Picker Trolley

Model Number: OPR001

Key features

Built for warehouse efficiency, this flatbed order picker trolley is designed for moving cartons, boxes, and stock safely and efficiently across flat indoor surfaces.

- Designed for use with stack & nest tubs: The robust lip of the tubs sits securely on the steel frame and can be easily lifted off the trolley for efficient stock sorting and handling.
- Heavy-duty construction: Powder-coated steel frame provides durability and long service life.
- Flat deck design: Offers a stable and spacious platform for handling cartons or boxed goods.
- Rebound rubber wheels: Deliver smooth, quiet rolling and protect floor surfaces from marking.

- Ergonomic push handle: Ensures comfortable control and easy manoeuvrability during picking tasks.
- Low rolling resistance: Reduces strain on operators during frequent stock movement.
- Indoor use: Ideal for flat, even warehouse and storeroom surfaces.

!Please note: This product is supplied flat-packed for ease of transport
