

Pack of 2 Non-Marking Twin Wheel Threaded Stem Castors

Model Number: S054BPK2

Key features

Featuring an attractive grey non-marking rubber wheel – these castors are made to suit most office furniture including chairs, trolleys and light duty cabinets such as TV units and display racking. With an attractive twin wheel hooded design and a range of available fitting options. These castors will help your chair or office furniture glide effortlessly across the floor, without leaving any marks or scratches.

The threaded stem furniture castor is made with a 3/8" (D) x 3/4" (L) BSW thread (suitable for most Australian beds).
