

Material Handling Equipment / Pallet Jacks

Narrow 2500kg Powder Coated Pallet Jack

Model Number: PJR002Y

Key features

The PJR002 Narrow Pallet Truck is designed for efficient material handling in tight spaces, with a 2,500 kg lifting capacity and a narrow frame for maneuverability in confined aisles. Its durable steel construction, ergonomic handle, and polyurethane wheels provide smooth, controlled lifting and ease of use in demanding environments.

- 2,500 kg lifting capacity: Suitable for medium-duty pallet handling tasks in tight spaces.
- Narrow design: Ideal for working in confined areas such as narrow aisles or tight warehouse spaces.
- Ergonomic handle: Provides comfort and ease of use during lifting and maneuvering.
- Polyurethane wheels: Durable and designed for smooth operation on smooth floors, reducing floor damage.

- Hydraulic system: Offers smooth, controlled lifting with minimal effort required.
- Heavy-duty steel construction: Built to withstand tough environments and daily use.
- Safety overload valve: Prevents overloading to ensure safe operation.

Specifications

Product Code	PJR002Y
Safe Working Load (kg)	2500
Min Fork Height (mm)	85
Max Fork Height (mm)	190
Fork Length (mm)	1150
Fork Overall Width (mm)	540
