

Material Handling Equipment / Lift Tables

150kg Single Scissor Lift Table

Model Number: SLR001

Key features

The SLR001 Single Scissor Lift Table is Richmond's most compact manual lift solution, offering a 150kg. Built for light-duty use in workshops, warehouses and assembly areas, it combines ease of use with reliable hydraulic lifting and mobility. This unit is ideal for positioning small loads at a safe working height while reducing strain and improving workflow.

- 150kg lifting capacity: ideal for light-duty industrial and workshop tasks
- Foot pedal hydraulic lift: smooth, controlled lifting with no power required
- Manual release lever: allows safe, measured descent
- Fitted with Richmond swivel castors: for smooth movement and transport

- Dual brakes on rear castors: for stability and safety while lifting
- Powder-coated steel construction: durable and resistant to wear in workshop conditions
