

RUBBER/ PVC TYRED WHEELS

UP TO
40KG
CAPACITY

Rubber and PVC tyred wheels are an excellent low-cost, lightweight and durable solution for outdoor use. They are non-marking and due to their plastic construction, ideal for wash-down applications and prolonged outdoor exposure. They are commonly seen on barbecues, lawn mowers, billy carts, children's buggies and more.

- For prolonged outdoor exposure
- Lightweight and durable
