

Fasteners & Bolts

Richmond's castor fasteners are purpose-selected to ensure a secure, long-lasting fit when installing castors to trolleys, equipment, and fabricated frames. Whether you're assembling a new build or replacing worn components, these fasteners are designed to match the load requirements and mounting styles of Richmond's extensive castor range.

Richmond's range of fasteners, includes nuts, bolts, set screws, washers, split pins, and more are available in a range of sizes & materials.

Whether you're looking for nuts & bolts for mounting some castors, bolting down gate tracks, or for use on your own DIY projects. Our comprehensive fastener range includes something to help get the job done.

Zinc Plated and Stainless Steel fasteners available.
