

Plastic Storage Containers

Richmond is a leading supplier of plastic products and storage containers in Australia, servicing clients in Melbourne, Sydney, Brisbane, Adelaide, Perth and Darwin. We pride ourselves on stocking an extensive product range to suit specific needs and requirements. Whether you need protective cases, produce trays, plastic pails, tool boxes, plastic storage boxes, storage containers, or plastic packaging, you can trust that you'll receive the highest quality products when you purchase from Richmond.

Our Available Range In Melbourne, Sydney, Brisbane & Across Australia

Plastic Products – Plastic Boxes, Containers, Packaging & More

Our complete range of storage solutions includes the following:

Stacking Boxes – Due to their ability to be stacked, these plastic crates are ideal for applications where storage space is limited. Choose from small, medium and large sizes with white, blue and red colour options available.

Recyclable crates – Made from eco-friendly polypropylene (a high-grade recycled material), these recyclable crates are available in 32 litre, 52 litre and 68 litre options. As they're able to be stacked and nested, they're a fantastic choice for maximising storage in an efficient manner.

Part bins and part trays – Our part bins and trays boast capacities of up to 30 kilos, making them perfectly suited to heavy duty storage applications. From hardware components through to tool parts, these trays and bins can store a variety of items so that you can stay better organised. Our parts trays are also constructed from recycled polypropylene, making them an environmentally friendly choice.

Lug boxes – Food grade approved, stackable for easy transportation, and available with an optional lid, our lug boxes are perfect for storing a range of foods. From meat and seafood through to poultry and fresh produce, you can trust that these durable boxes will keep contents safe and secure.

Buckets and pails – Available in 5 litre, 10 litre and 20 litre capacities, our durable buckets and pails are well suited to a variety of applications. From holding paint through to mixing ingredients, these 100% recyclable options are sure to meet your needs.

Stackable tote boxes – Our stackable tote boxes are perfect for helping Melbourne homes, Sydney businesses and other Australian clients to maximise their storage capabilities. Made from the highest quality polypropylene, we stock boxes in small, medium and large sizes, with tote box lids also available.

Milk and bottle crates – Designed for the transportation of milk and other dairy products, our milk and bottle crates are manufactured from high-quality polypropylene and feature durable handles as well as smooth interior surfaces.

Security crates – When a more secure storage solution is required, our security crates are a perfect choice. Constructed from recycled polypropylene, these crates are ideal for important documents and other items.

And more – Other plastic products we stock include megabins, louvered panels, and pie and pastry crates.

A Wide Range of Plastic Storage Solutions

Whether you require delivery to Melbourne, Sydney, Brisbane, Darwin, Adelaide or Perth, you can trust that the product you'll receive will be manufactured using stringent industry standards. We use only the highest quality plastic as a raw material, ensuring durable products that can be relied on to last longer and provide maximum return on investment to clients. As a result, Richmond is one of the most trusted names within the plastic storage industry. We're proud to cater to anyone who requires the best quality plastic products in the country, whether it's parts bins for a Perth mechanic, stackable tote boxes for a Brisbane household, or recyclable crates for an environmentally conscious business in Sydney.

From our storage boxes through to our bottle crates, each and every item we supply is designed to be highly

practical. Because of this, we attract many bulk orders for our plastic containers from numerous industries and warehouses.

Plastic Storage Boxes & Crates

Plastic storage boxes are often an essential part of any business or trade, giving you somewhere to store your goods.

Richmond Wheels and Castors have a range of storage boxes and plastic storage crates available with options to suit all businesses.

What's more, we now offer hot stamping on selected plastic products, allowing you to put your company name or logo on your plastic storage containers, so let us know if you would like this to be an option for your business.

A wide variety of storage containers available

If you are looking to buy plastic storage containers, look no further than Richmond Wheels and Castors. They come in a variety of different sizes and can hold large amounts. They make a great place to store books, electronics, toys, plus many more, keeping them dry and safe. Additionally, they come in different colours, allowing you to choose the one that is right for you.

We also have plastic storage containers with lids that are available in wholesale. A great option is our range of security crates which come with a lid attached and can be secured shut with a padlock or cable ties. These offer a great space for storing those important documents safely and, when the lids are closed, they can also be stacked, offering a space-saving solution.

Furthermore, we also have plastic storage bins that are available to the wholesale market. These can be used for a variety of purposes and can be ordered in bulk. From small part bins through to bigger storage bins, you will find what you need.

Our plastic storage tubs mean that you can organise all your goods, knowing where they are for when you need them. Plus, you can be rest assured that they will be stored safely as plastic makes an ideal material for storage.

No matter which type of storage you go for, you can have peace of mind knowing that your plastic storage solutions have been made from high-quality materials and will last for a long time. Whether you need air-tight storage or a vented crate, we have a solution for you.

Richmond Wheels and Castors are your go-to place for all your storage needs
