

Castors / Heavy Industrial

# 150mm Polyurethane Tyred Cast Iron Centred Wheel 250Kg Capacity Castor

Model Number: S6655SLB

## Key features

Our 150mm Polyurethane Tyred Wheel Richmond Castor - S6655SLB is part of our huge range of heavy industrial castors. The wheel features Roller Bearings and the wheel diameter is 150mm (6"). The Polyurethane Tyred Cast Iron Centred wheel can viewed here. This heavy industrial castor has a load capacity of 250kg. This castor is also fitted with a swivel lock to prevent rotation on the swivel axis. Swivel castors such as this one allow full swivel rotation of the wheel. The S6655SLB is fitted with a brake. For the model without a brake click here. Our Polyurethane wheels are designed for durability, movability, shock absorbsion and long life. This castor is quite versatile however it is popular in environments where floor protection and noise reduction is important.
