

Plastic Storage / Crates

22.7L Orange Nesting Crate

Model Number: NCR227ORA

Key features

Durable and compact 22.7L nest crate made from food grade polypropylene, designed for efficient storage, handling, and stacking in commercial, industrial, and domestic settings.

- Food grade polypropylene: Safe for use in food processing and handling environments.
- Nestable design: Crates fit inside each other when empty to save valuable storage space.
- Stackable with lid: Secure stacking when paired with a compatible lid (sold separately).
- Lightweight construction: Easy to handle while maintaining durability for long-term use.
- Colour options: Available in Blue, White, Yellow, Red, and Black.

- Custom branding: Hot stamping or silk screening available for identification or branding.
- Australian-designed: Built for performance and reliability in demanding work environments.
