

40L Collapsible Vented Crate Green

Model Number: FMC040GRE

Key features

Material: Food Grade Polypropylene

Capacity: 40L

External Dimensions: 590mm (L) x 395mm (W) x 200mm (H)

Folded Height: 52mm

Please Note: These crates are designed to only stack with collapsible vented crates of the same size.

Food grade, collapsible and stackable, Richmond's new range of collapsible vented crates offer an excellent solution for the handling and storage of meat, seafood, poultry, produce and more. These versatile crates can be stacked on top of each other or be folded and stacked on top of each other when not in use, saving incredible amounts of space during storage or transport. Vented sides provide increased airflow and allow the contents of the crate to cool faster when stored in areas such as cool rooms.

Features of our new Vented Collapsible Crate

- Available in 24L and 32L varieties
- Lightweight, sturdy food grade polypropylene construction
- Vented sides for increased airflow
- Built-in ergonomic handles for easy lifting and carrying
- The foldable design allows crates to be stacked on top of each other when not in use, saving space during storage and transport
