Perfect for storing important documents, papers or small items, Richmond's Security crates offer an extremely versatile and secure storage solution. They're designed with a fixed security lid, which is lockable with a padlock or cable ties.

These crates are strong, durable, and are appropriate in the following environments:

- Offices
- Warehouses
- Schools

- Households

These crates are stackable with the lid closed and nest within each other when open.

Alternative Security Crates are available, to meet your requirements.
