750 x 400mm 3 Tier Grade 304 Stainless Service Trolley

Model Number: STR333

Key features

Compact Grade 304 stainless steel 3 tier service trolley for hygienic transport of food, equipment and supplies in hospitality, healthcare, laboratories and commercial workplaces.

- Grade 304 stainless steel: Provides excellent corrosion resistance and is easy to clean, making it suitable for wet and hygienic environments.
- Three tier design: Maximises storage capacity while allowing items to be organised across multiple shelves.
- Compact footprint: Narrow design improves manoeuvrability through tight aisles, kitchens and confined work areas.
- Easy to clean: Smooth stainless steel surfaces simplify routine cleaning and sterilisation.

- Quiet operation: Noise reduction design helps minimise sound and vibration during transport.
- Smooth mobility: Supplied with zinc plated castors for reliable movement, with stainless steel castor options available.
- Commercial use: Suitable for hospitality, healthcare, laboratories, schools and food preparation areas.

!Please note: This product is supplied flat-packed for ease of transport
