

Warehouse, Industrial Trolleys & Dollies / Stainless Steel Trolleys

950 x 500mm 2 Tier Grade 201 Stainless Service Trolley

Model Number: STR229

Key features

Grade 201 stainless steel 2 tier service trolley with flat shelves for cost effective transport of food, equipment and supplies in commercial kitchens, hospitality venues, schools and general workplaces.

- Grade 201 stainless steel: Provides a durable and economical solution for everyday commercial applications.
- Two flat shelves: Stable storage surfaces for transporting food, equipment, cartons and supplies.
- Large platform: Generous shelf size accommodates higher volumes and larger items.
- Easy to clean: Smooth stainless steel surfaces simplify routine cleaning and maintenance.

- Quiet operation: Noise reduction design helps minimise sound and vibration during transport.
- Smooth mobility: Supplied with zinc plated castors for reliable movement, with alternative castor options available.
- Commercial use: Suitable for hospitality, cafés, restaurants, schools, retail, storage areas and general workplace applications.

!Please note: This product is supplied flat-packed for ease of transport
