

Easy Tilt Twin High Curved Back Pneumatic Hand Trolley

Model Number: ETR108

Key features

Heavy duty pneumatic hand trolley with an easy tilt mechanism and twin high curved back design for transporting drums, cylinders, cartons, and bulky stock in warehouses, workshops, and commercial environments.

- Easy tilt mechanism: Reduces the effort required to move loads by up to 50% during handling and transport.
- Twin curved back frame: Designed to support rounded, bulky, or irregular loads securely during movement.
- Pneumatic wheels: Provides smoother movement across uneven surfaces, ramps, and outdoor areas.
- Heavy duty steel construction: Built for demanding commercial and industrial material handling tasks.

- 200kg load capacity: Suitable for transporting heavy stock, equipment, and containers.
- High frame design: Improves stability and control when moving taller loads.
- Large toe plate: Provides reliable load support during lifting and transport.
- Versatile handling solution: Suitable for warehouses, freight operations, workshops, and delivery environments.

Specifications

Product Code	ETR108
Maximum Load Capacity (kg)	200
Trolley Size (mm)	1360 x 370
Toe Plate Size (mm)	432 x 245
Wheel Type	Pneumatic
Tyre Size	410 x 3.50 x 4
Wheel Code	PN1271
