

Easy Tilt Looped Handle Curved Back Puncture Proof Hand Trolley

Model Number: ETR110

Key features

Heavy duty puncture proof hand trolley with an easy tilt mechanism and looped handle curved back design for transporting drums, cylinders, cartons, and bulky stock in commercial and industrial environments.

- Easy tilt mechanism: Reduces the effort required to move loads by up to 50% during handling and transport.
- Looped handle design: Provides improved grip, control, and manoeuvrability during operation.
- Curved back frame: Supports rounded, bulky, and irregular shaped loads securely during movement.
- Puncture proof wheels: Eliminates downtime caused by flat tyres in demanding work environments.

- 200kg load capacity: Suitable for commercial and industrial stock handling applications.
- Heavy duty steel construction: Built for warehouses, freight areas, workshops, and delivery operations.
- Large toe plate: Helps stabilise loads during lifting and transport.
- Low maintenance operation: Puncture proof wheels reduce servicing requirements and improve reliability.

Specifications

Product Code	ETR110
Maximum Load Capacity (kg)	200
Trolley Size (mm)	1300 x 430
Toe Plate Size (mm)	434 x 245
Wheel Type	Puncture Proof
Tyre Size	410 x 3.50 x 6
Wheel Code	PF1273
