

Fork Lifters and Stackers

1500mm Manual Hydraulic Fork Stacker

Model Number: FSR001

Key features

Engineered for durability and ease of use, the FSR001 includes key features that support safe, efficient material handling in industrial settings. Its compact design, steel construction, and manual hydraulic lift make it ideal for occasional lifting without the complexity of powered equipment.

- 400 kg lifting capacity: Handles heavier loads for general warehouse and workshop use
- Lifts up to 1500mm: Suitable for loading tailgates, benches, or low racking
- Steel frame: Rigid and impact-resistant, designed for industrial environments
- Foot-operated hydraulic pump: Enables controlled, smooth lifting without electric power

- Twist-release valve: Allows safe, gradual lowering of the load
- Compact design: Fits through standard doorways and narrow aisles
- Rear foot brake: Locks the unit in place during loading or unloading
- Polyurethane wheels: Floor-safe, smooth rolling over flat surfaces
- Adjustable forks: Accommodates various pallet sizes and load widths
- Optional platform attachment: Converts unit to a mobile lift table
- 12 month warranty: Covers manufacturing and material defects

Specifications

Product Code	FSR001
Safe Working Load (kg)	400
Min Fork Height (mm)	85
Max Fork Height (mm)	1500
Fork Width (mm)	540
Fork Length	650
Overall Width (mm)	590
