

Warehouse, Industrial Trolleys & Dollies / Industrial Trolleys / Order Picker

Order Picker Trolley With 32L Tub

Model Number: OPR002

Key features

Compact and efficient, this order picker trolley reduces manual handling strain and improves productivity in repetitive picking and packing tasks across warehouses, offices, and retail environments.

- Durable frame: Powder-coated steel construction ensures long-term strength and reliability.
- Supplied with 32L Stack & Nest tub: Includes SNR004RWCBLK crate for convenient stock handling.
- Smooth mobility: Four 100mm quiet-running rubber swivel castors allow effortless, non-marking movement.
- Compact and lightweight: Easy to manoeuvre in tight workspaces such as storerooms or offices.

- Optional stainless steel castors: Available for food-grade or wet-area applications.
- Flat-pack delivery: Supplied flat-packed to reduce freight costs, with assembled option available.
