

Material Handling Equipment / Lift Tables

300kg Single Scissor Lift Table

Model Number: SLR002

Key features

The SLR002 Manual Scissor Lift Table is Richmond's robust solution for medium-duty lifting, with a 300kg capacity. Designed for use in workshops, warehouses, and assembly lines, it offers smooth hydraulic lifting and easy mobility. This unit is perfect for positioning heavier loads at a comfortable working height, reducing operator strain, and enhancing workflow efficiency.

- 300kg lifting capacity: Ideal for medium-duty industrial and workshop tasks.
- Foot pedal hydraulic lift: Smooth, controlled lifting with no power required.
- Manual release lever: Allows safe and measured descent, ensuring load stability.

- Fitted with Richmond swivel castors: Provides easy movement and transport.
- Dual brakes on rear castors: Offers stability and safety while lifting and in stationary use.
- Powder-coated steel construction: Ensures durability and resistance to wear in tough workshop environments.

Specifications

Product Code	SLR002
Safe Working Load (kg)	300
Table Size (mm)	852 x 502
Min Table Height (mm)	285
Max Table Height (mm)	880
Handle Height (mm)	990
