Stainless Steel Order Picker Trolley

Model Number: OPR009

Key features

Richmond's 304-grade stainless-steel heavy-duty order picker trolley improves efficiency in repeat picking and packing applications, reducing manual handling. Easily move items from one location to another while processing orders with ease.

Safe working load (kg): 100

Length: 735 mm

Width: 425 mm

Height: 995 mm

Handle height: 970 mm

Material: 304-grade Stainless Steel

This product is ideal for use in the following industries:

- Offices
- Retail
- Libraries
- Warehouses
- Factories
- Mailrooms

Suitable for plastic crates and tubs (sold separately through your local Richmond store) the stainless-steel heavy-duty order picker features 4x 100mm quiet rubber swivel castors for extra comfort and maneuverability. Optional stainless-steel castors make the trolley suitable for food handling and processing applications. This stainless-steel 304-grade heavy-duty order picker trolley is supplied as a kit flat-packed or can be shipped assembled by request.
